time a professional
offered you valuable
advice at no charge?*

An Invitation

Indo-Canadian Engineers Association of Edmonton (ICE) proudly invites you to join us for the following Technical Session.

Speaker

Sharana Basappa
Manager of Projects, Bantrel, Edmonton

Title

**Challenges Faced by Foreign-trained Engineers and
Technical Professionals in establishing their Careers
in Canada**

Sharana Basappa is an electrical engineer from the Osmania University in 1968. He has a Masters degree in Electrical Engineering & Control Systems from Texas, USA. Sharana has worked in a wide range of industries since 1970. He has experience in pulp & paper, cement, chemicals, mining, and refineries. He has been in Edmonton since late 1975, worked primarily in construction and EPC companies. He led E&I teams and other projects. His current responsibilities as Manager of Projects involve overseeing of several large projects at the Edmonton office. He and his wife are blessed with a grown up son and a daughter. They are also proud grand parents.
